

National Taiwan Normal University
Department of Education, Graduate Institute of Educational Policy and Administration,
Graduate Institute of Curriculum and Instruction,
Full-time Faculty Position Opening

1. Title and Number of Openings: One full-time faculty position at the rank of assistant professor or above.
2. Specialty: International Education, Research Methods, Educational Foundations (Educational Philosophy and History, Educational Sociology, Educational Policy and Administration, Curriculum and Instruction).

Applicants must be able to teach courses offered by the School of Teacher Education.

3. Education and Research Background:

- A. A doctoral degree.
- B. With the exception of beginning teachers* with a Ph.D. degree, new full-time faculty members must satisfy at least one of the following qualifications:
 - a) Being the first or corresponding author of publications of at least two articles within the past three years in journals listed in SCI, SSCI, TSSCI, EI, A&HCI, THCI (originally THCI Core before 2016) or academic journal articles in SCOPUS.
 - b) Being the principal investigator of at least two research projects during the past three years (i.e., projects sponsored by the National Science and Technology Council or overseas equivalent national research funding agencies).
 - c) Publication of at least one book or monograph within the past three years (reviewer comments and proof of publication should be provided).

Previous publications (a) and research projects (b) can offset each other.

*“Beginning teachers” refers to those who have graduated within the last two years (starting from posting date of this vacancy announcement, excluding the time for military service due to conscription) and have not held any full-time teaching position at an institution of higher education since graduation. Those who meet the criteria set by relevant regulations of the university may be considered for assistant professor (contract) positions.

- C. Applicants must be a native English speaker or possess near-native English proficiency.
 - D. Applicants whose highest academic degree was awarded by National Taiwan Normal University must have at least two years of experience in research work, professional practice, or relevant positions closely related to the subjects they are expected to teach.
4. Documents to be submitted (Please make 3 copies of the following documents):
 - A. Application Form for Faculty Position.

- B. Curriculum Vitae and Autobiography.
- C. List of Publications.
- D. Representative publications within the last 5 years (please attach the listed publications).
- E. Proposed Courses including course syllabi (provide English syllabi for all courses).
- F. Courses taught (Please attach course syllabi and student feedback on teaching).
- G. Past and current approved research projects sponsored by the National Science and Technology Council (if applicable).
- H. Copy of doctoral diploma and a transcript. (If the degree was granted by a university outside the R.O.C., both documents must be authenticated by an R.O.C. overseas mission, or other agency authorized by the Ministry of Foreign Affairs.)
- I. Doctoral Dissertation (Chinese translation of the abstract is required if the dissertation is written in languages other than English or Chinese).
- J. Register and key in your information in the NTNU Personnel Office hiring website <https://pms.itc.ntnu.edu.tw/HireApp>

5. Application Procedures:

- A. **Deadline for Applications: Applications must be postmarked no later than August 31, 2026.** (Applications with incomplete documentation will not be accepted. Applicants who wish to have their application materials returned should enclose a self-addressed stamped envelope.)
- B. All application materials must be sent by registered mail. Please send your application materials to:
